ACTA

The path of man, both aged and yet young,
As Angels are, ripening through endless years,
On one he leans; some call her Memory,
And some Tradition; and her voice is sweet,
With deep mysterious accords: the other,
Floating above, holds down a lamp which streams
A light divine and searching on the earth,
Compelling eyes and footsteps. Memory yields,
Yet clings with loving check, and shines anew,
Reflecting all the rays of that Bright lamp,
Our angel Reason holds. We had not walked
But for tradition; we walk evermore
To higher paths by brightening Reason's lamp.

"B" FOOTBALL

Coaches: Mr. Zimmerman and Mr. Allred

The Exeter "B" Football team enjoyed a very successful year, winning a co-championship with a 7-1-1 record.

All players played hard and performed well with several standouts for their passing, catching, punts, kickoffs and fine defensive play. The outstanding game was played against Reedley who had been undefeated until the last game. The Little Monarchs put up a terrific goal line stand in which they either held or lost the game. Well, they held and won the game and part of the champion. We're all proud of them.

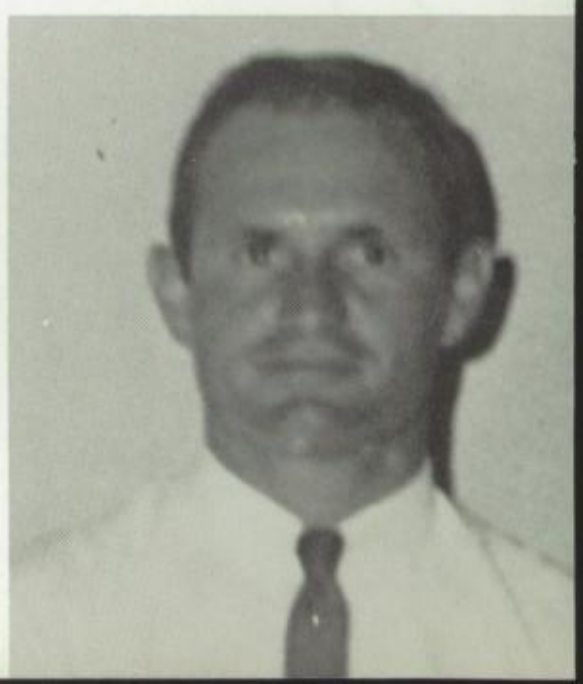
FROSH FOOTBALL

Coach: Stan Beach

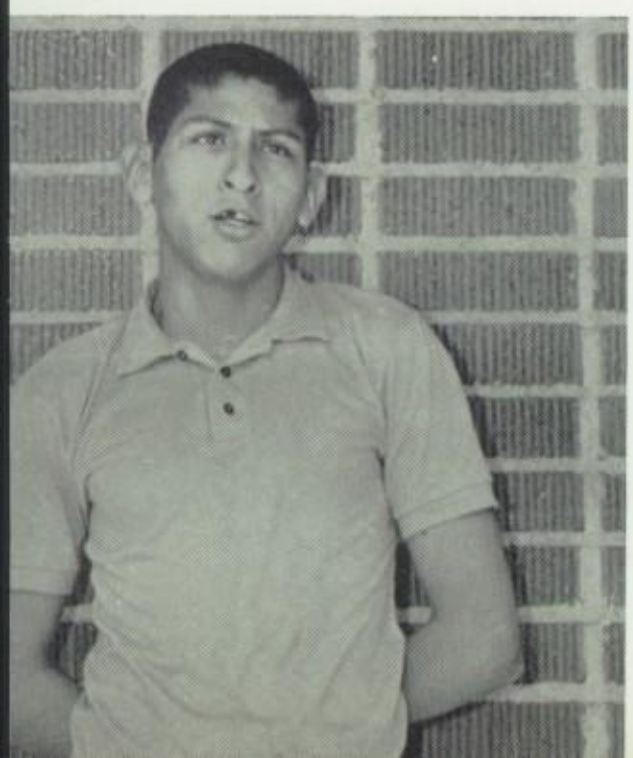
The Frosh team this year turned in a fine performance against many good teams. This season they had a 5-4-1 record which is good. Some of the games won were Sanger, Reedley, and Orosi. They worked hard and they show a lot of promise. Good luck to the future football stars of Exeter.



Back Row: Wallace Euwing, Marshall Kirkman, John Frey, Dennis Swearingen, Kenneth Fleeman, Kent Walton, Coach Mr. Millies.
Front Row: Don Moberly, Jeff Ogas, Billy Power.

CROSS COUNTRY

Most Valuable Player, Jeff Ogas



The Cross Country Team this year was composed of nine members. These boys work very hard and receive the least amount of recognition of any of the sports. The cross country team was led by Jeff Ogas the most valuable player this year. We want to thank Wayne Millies, coach of the team for doing a fine job this year.

Back Row: Phil Cline, Phil Coble, Derald Griffis, Joe Watkins, Kent Walton, Billy Spriggs. Front Row: Johnny Maze, Steve Bingham, Bruce Montgomery, Billy Maze, Frank Rocha, George McGwen.

BASKETBALL

Coach: Mr. Robert Eberspacher

Exeter High's 1963-64 basketball team finished the season with a 7-12 overall record and a 4-8 Central Sequoia League record.

Coach Bob Eberspacher in his second season at the Monarch helm, guided Exeter to a very exciting season. The Monarch's had many close games this year which we always seem to have and lose.

A good start slowed down to a much crawl by the end of the season. The Monarchs were led by Kent Walton all League forward, and who was selected most valuable player two years in a row by his teammates.

We feel that next year's team shows great promise.

WRESTLING

Our wrestling team is one that E.U.H.S. can be proud of. They made a fine showing during their fifth year of competition.

This sport takes a great deal of skill and the boys must be in top physical condition. This is a very exacting sport. The E.U.H.S. team shows both skill and endurance during the season. Wrestling is exciting entertainment and we hope everyone will come and watch next year's team. We would like to thank the wrestling coach, Mr. Morgan, for a very good season.

STUDENT BODY PRESIDENT

After reviewing the past year, I am greatly satisfied with a job which has finally come to a close. I am sure that all of the students who have completed this year at E.U.H.S. are filled with a feeling of accomplishment, and great relief. Those who have completed another year here have moved one step closer to greater success, and have furthered their education, which is becoming more and more important with each passing year.

This year our student council was one of the largest and most energetic I have seen in my three years in attendance at Exeter High. They have given their full support, and have set an example for succeeding councils to follow. I would like to express my deep appreciation to our student council advisor, Mr. Robert Heath, without whose help my job would have been extremely difficult; to Pat Vincent, who also spent many long hours so that the student government might function better; and to our hard working student council who made many important contributions.

On behalf of the student body I would also like to thank the administration, faculty, and the entire staff for a job well done.

In closing, I would like to wish all of you the greatest success and Good Luck which you deserve.

BEST WISHES,
Jim Heaton, S.B. President

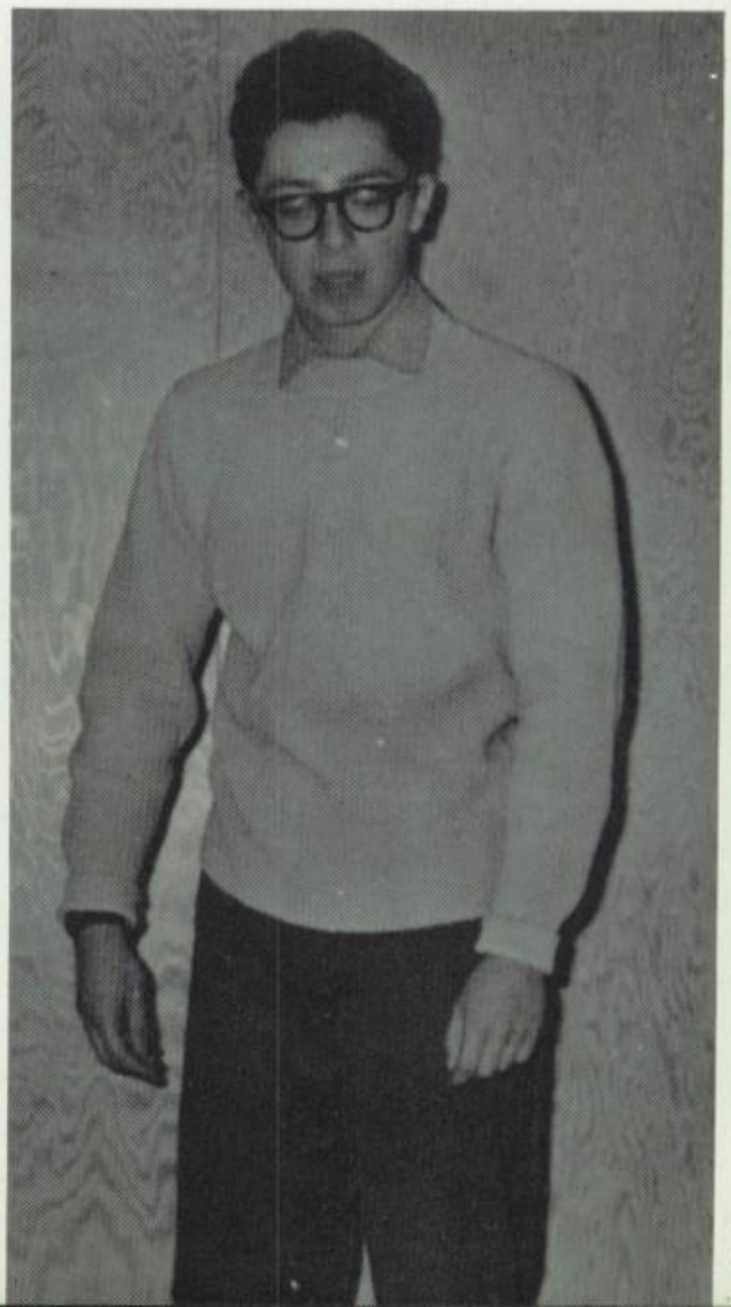
AMERICAN FIELD SERVICE



Now that the year has come to its end I look back to the very moment I came to the Exeter Union High School. The friendliness of the students and teachers, their constant desire to be helpful and the interest they showed about Colombia are memories that will remain with me forever. The opportunity to share the daily life with people of a different background has made me realize that we all are the same. There are of course certain variations that give each country its own character.

The American Field Service has enabled me to understand to a greater extent the way of living and thinking of a nation great not only in its size but in the cultural demonstrations of its people.

I would like to conclude by thanking the whole student body of the E.U.H.S. and in general to all the people of Exeter for the most significant year of my life.

Sincerely,

David Lopes JR.

CLASS OF '64

Hey Seniors! Remember when we were wide-eyed and unimportant little Freshmen! We have come a long way since then.

We made it through our first year with flying colors—we learned the Fight Song and the Alma Mater and were well represented in many of the school activities.

When we began our second year at E.U.H.S. we felt a little more at home . . . Even though we were asked to prove ourselves many times by the upper classmen.

We entered our junior year with that feeling of pride that comes with being upperclassmen.

We received our class rings—one of the biggest thrills of being a junior. It was a year of hard work. We had to raise money to entertain the Seniors at our prom "Polynesian Paradise." We received Algernon and finally we were on our way to becoming "BIG" SENIORS.

This year has been the most exciting. Our Senior Play "For Pops Sake" was a big success and provided the funds for our Senior Figt. The rest of the year was spent in preparation for graduation: announcements, pictures, college entrance blanks, and practice for graduation.

We were honored at the Senior Banquet; the faculty provided a "ditch day" at Avila Beach; and we were the guests of the Juniors at the prom.

Finally, our four years in high school came to an end on June 5th., with 127 graduating seniors of '64.

The Junior Class has been raising money all year for the Junior-Senior Prom.

The Class of "65" sold magazines as their main monetary project. During football session, they operated the concession stand for more money.

Prom was a success and then ... the last day of school arrived.

This year's enrollment of the freshman class is 231 which again breaks the EUHS record for most freshmen. Selling popcorn balls and pastries at home basketball games was one of the money-raising projects this large class has achieved.

Climaxing their first year at EUHS, the freshmen had a swim party in April enjoying cookies, punch, and dancing.

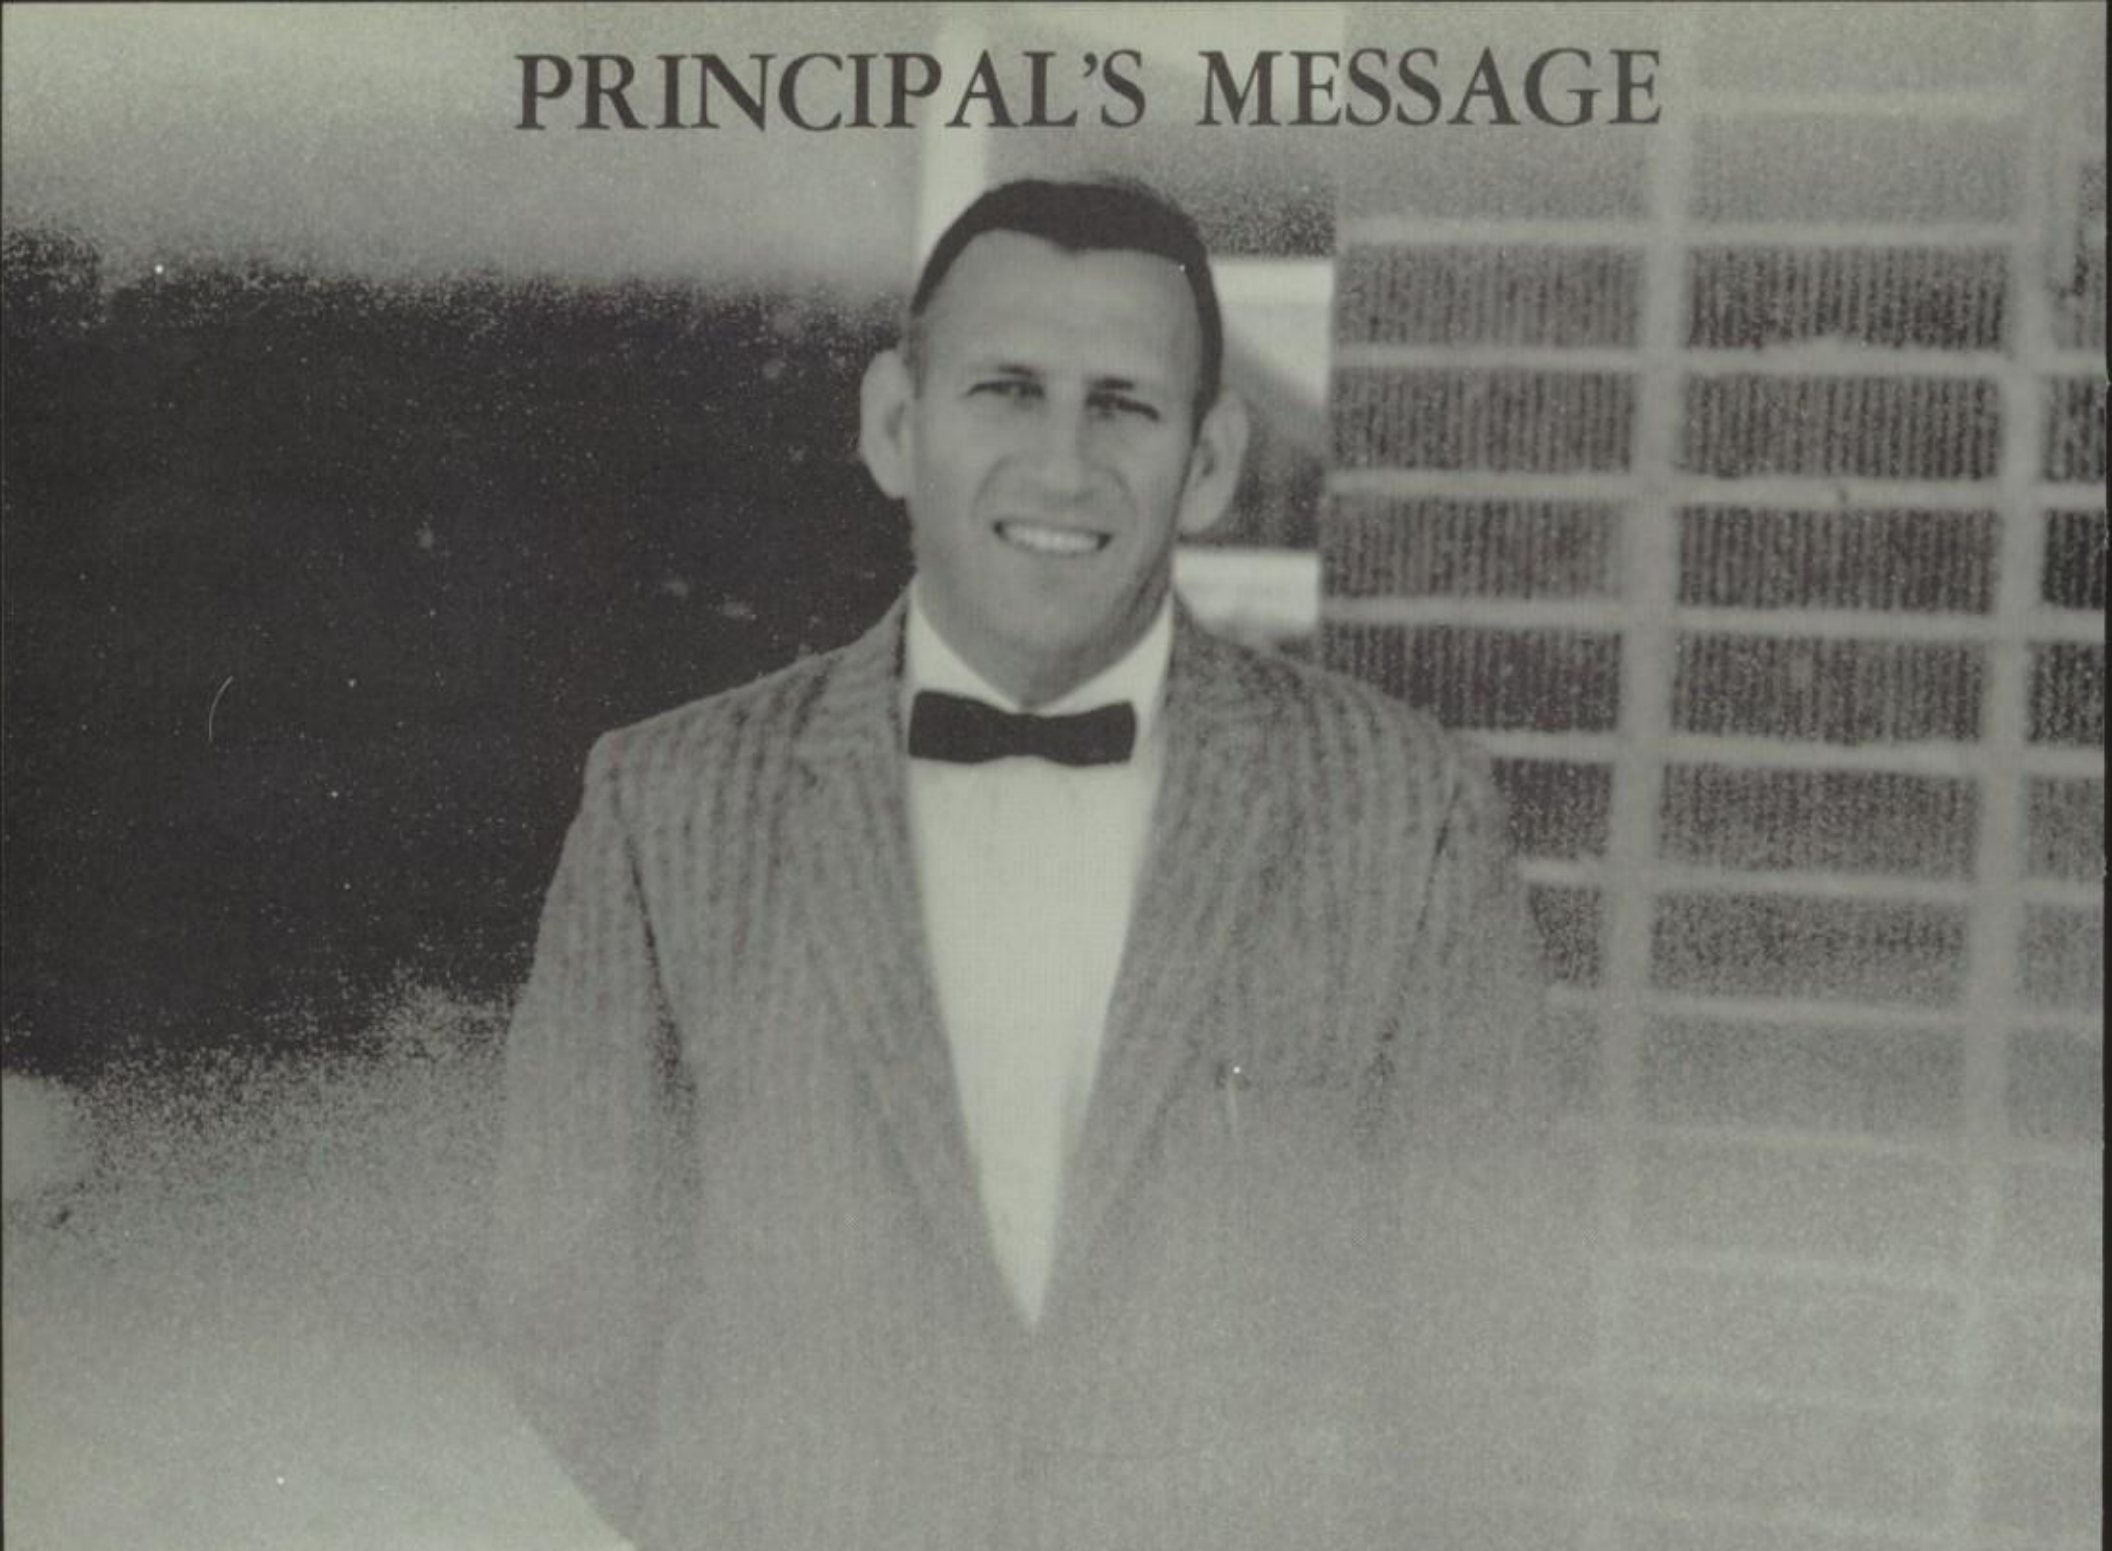
The faculty and administration, unlike the students, are a permanent integral part of our school. The faculty member spends his entire career giving of himself to the school—in his knowledge, interest, and friendship.

We pay tribute to our faculty and administrators.

BACKBONE

PRINCIPAL'S MESSAGE



When one contemplates that in only a few short weeks the Class of 1964 will be graduating, and that there have been many instances this past year where all students of Exeter High School should be complimented, and so little time left to do so—Congratulations to a wonderful student body! I realize that all the rules and regulations as set forth by the administration cannot be met by every student 100 per cent of the time.

I am very proud of the fact that every student at this school has made an effort during this past year to show positive growth in improving upon his or her studies, and to keep the campus as neat as possible. There has been only a few instances this year when Brunch had to be canceled because of an untidy campus.

I have enjoyed watching the enthusiasm displayed by student body members in following the various teams in extra-curricular events. I have always felt that in order to gain the most from high school, every student should have some activity that he can belong to and enjoy. I feel that Exeter is fortunate, in that a large number of the students participate in sports, music, drama, the agriculture program and club activities.

The decision to resign as superintendent of Exeter Union High School was not an easy one. I can assure you that there will be many fond memories and experiences that my family and I will always remember.

I am certain that you as a student body will continue strongly supporting school activities, as in the past, and that you will further advance toward academic excellence in your schoolwork.

Sincerely,

J. HOWARD RIDDLE

EDITOR'S MESSAGE

The pathways through high school are memorable ones. I hope that through this book, we have created a picture of your school year which will always be a favorite.

We have had a year of hard work and fun. I feel that the Acta Staff should be given a lot of credit for the way they have performed under the many disadvantages which they faced. I have had a lot of help from my co-editors which I would like to acknowledge. Much of the corresponding and business was handled by Dianne Names. Credit goes to Jean Mastrangelo for the literary. Advertising editors were Joyce Tomlinson and Bill Todd. Photography credit goes to Mr. Morgan and his staff. Thanks to Mrs. Manning, our advisor, for advice and good ideas. And a special thank-you to the many others who have devoted their time and efforts to present this annual to you.
